Parish Registration

If you are new to our parish or not yet registered and you live within our parish boundaries, we encourage you to take a few minutes to register. If you are uncertain if you are within our boundaries, please call the parish office to confirm.

Registration is important! St. Ambrose is responsible for the sacramental care of all who live within our boundaries including bringing you Holy Communion if you are ill and unable to attend Mass. Being officially registered allows the parish to certify that you are a practicing Catholic if you wish to serve as a godparent or Confirmation sponsor, and it enables us to provide donation statements for tax purposes.
