

Plant Donations for New Church Gardens

The **St. Ambrose Garden & Grounds Club** is seeking donations of perennial flowers and plants for the new church gardens. We will be **collecting plants in early Spring 2023** but would like to plan ahead, so we'll be accepting **Virtual donations, starting NOW through October 30, 2022** of plants you would be willing to donate in the spring. Come Spring, we will plan a donation weekend where you can come by and drop off your donations. Pick up of your plants may be possible, let us know when you send us your plant information.

To donate virtually, please send the name and/or description of your plants, the quantity, (**and preferably a picture!**) to:

Meredith Hartley at mphartley@hotmail.com and/or

Mike McCann at MLMcCann5@verizon.net

Thank you for supporting your parish!

Join us!

Do you enjoy gardening, landscaping, and fixing things?
The [St. Ambrose Garden and Grounds Club](#) meets on the fourth Saturday of each month to help maintain the parish grounds. Consider lending a hand when you can!
